Government Operations, 1987 - 1988

1. The Agency has accepted the invitation of the Brookings Institution to participate in its Public Policy Conferences for Corporate Executives on Understanding Federal Government Operations during 1987 - 1988. The six-day conferences for senior-level corporate executives are designed to provide an intensive overview of Washington policymaking. This memorandum requests that you and your Deputy serve as host at one or two of the 13 luncheon/briefings and that you identify middle-to-senior level representatives of your individual offices to participate as table hosts and discussants at the briefings. Dates for the 1987 - 1988 series are attached.

2. The format will continue as in the past: Luncheon in the Executive Dining Room at 1200 hours followed by a briefing in the DCI Conference Room at 1300, concluding at 1400 hours. As host, you will conduct a 10 to 15 minute overview of the Agency and the Intelligence Community followed by a question and answer period in which the Agency discussants, selected for their regional and/or functional expertise, will participate by answering questions from the assembled group.
